

Product specification guide for distributors and specialty pharmacies

## ZEJULA Capsules for Oral Use

Marketed by: TESARO

### How ZEJULA is supplied

ZEJULA is available as capsules having a white body printed with “100 mg” in black ink and a purple cap printed with “niraparib” in white ink. Each capsule contains 100 mg of niraparib. ZEJULA capsules are packaged as 90-count bottles.

### Storage and handling of ZEJULA

Store at 20°C to 25°C (68°F to 77°F); excursions are permitted between 15°C and 30°C (59°F and 86°F). See USP Controlled Room Temperature.
